Beatriz Vilalta JIMÉNEZ

Quality Assurance
Maceió

Hi my name is Beatriz, I am working as a Quality Assurance. I love working with BDD and I am interested in automation testing with Cucumber and Capybara and opened to learn even more.

Also proficient in English (FCE - First Cambridge Exam), grew up bilingual (Portuguese and Spanish).

💼 Experience

Quality Assurance
Stant
since October 2020
Executing and planning tests in all of the company's products (android, iOS, web, API), increasing the quality and its trust through different kinds of testing techniques like white box, black box and grey box testing. I am currently starting the automation project with the QA team.
