BEATRIZ VILALTA JIMÉNEZ

Quality Assurance

Hi my name is Beatriz, I am working as a Quality Assurance. I love working with BDD and I am interested in automation testing with Cucumber and Capybara and opened to learn even more.

EXPERIENCE

QUALITY ASSURANCE ▽ **STANT**
since October 2020 , Executing and planning tests in all of the company's products (android, iOS, web, API), increasing the quality and its trust through different kinds of testing techniques like white box, black box and grey box testing. I am currently starting the automation project with the QA team.

ENGLISH INTRUCTOR ▽ **LET'S GO LANGUAGE SCHOOL**
October 2018 - February 2020 , Kintergarden and elemantary school english teacher.
